### Estimated Cost of Tuition and Fees • Fall 07 Graduate Programs (MS and PhD)

The OUHSC Bursar's Office has authority over assessment of tuition and fees and calculates the amount owed (determined by program, term and the number of credit hours of enrollment).

The cost estimate below is based on information currently available from the Bursar's Office Web site: <http://www.ouhsc.edu/financialservices/Bursars.asp>

Please note that the number of credit hours required varies by program. The estimate below is based on 39 credit hours. A full listing of Master of Science (MS) degree programs and credit hour requirements can be found at <http://www.coph.ouhsc.edu/coph/studentservices.asp>. Fees listed in the Semester Fees column are charged the listed amount for the term of enrollment. At the time of this estimate, the total fee amount assessed by semester is \$273.50 for spring and fall and \$226.75 for summer. Fees listed in the Credit Hour Fees column are assessed according to the number of credit hours taken. Total amount for credit hour fees is \$48.15 (per credit hour.) For an enrollment of 3 hours, fees assessed by credit hour would be \$144.45.
